

*Americans for Responsible Technology
in association with the
Broadband International Legal Action Network
presents...*

The Rights of Citizens in the Deployment of Wireless Technology

A Professional Legal Webinar featuring:

- **Attorney Scott McCollough**

Mr. McCollough argued the successful case for Children's Health Defense against the FCC

- **Attorney Andrew Campanelli**

Mr. Campanelli has won numerous antenna cases and authored many protective local codes

- **Attorney Odette Wilkins**

Ms. Wilkins is leading the fight in New York City against giant 5G kiosks

- **Attorney Julian Gresser**

Mr. Gresser is a former Harvard Law Professor, professional negotiator and author

Presenters will also include community organizer Brenda Martinez of Fiber First Los Angeles. The webinar will be moderated by Doug Wood, Founder and National Director of the non-profit Americans for Responsible Technology.

Wednesday,
March 22nd
4PM Eastern,
1pm Pacific

This webinar is free and open to the public. Space is limited. Reservations are required. Register at <https://bit.ly/3kHApze>
